

Northern Maine  
Restaurant & Brewing Company

*Welcome to Slopes Northern Maine Restaurant & Brewing Company! You're about to encounter a most unique experience in dining.*

*At Slopes, our mission is to provide our guests the highest quality food served at reasonable prices by warm, friendly servers in a relaxing and comfortable environment. This atmosphere reflects the rustic beauty of pristine Northern Maine. Whether you're in a hurry, or have time for a leisurely dining experience, let us know and we can accommodate your every need.*

*You, as a guest can help us create the experience you want. You may opt to have your entire dining experience in our beautiful lounge surrounded by our 55-foot curvilinear bar (with free wireless internet for all you laptop lovers) and polished copper microbrewery tanks that are actually brewing six varieties of draft beer available at Slopes daily. The lounge offers easy listening live entertainment most Saturday evenings and has become a popular hot spot. You may also choose, after ordering your meal, to be transferred to our elegant dining room to enjoy a more intimate atmosphere. If you prefer only that environment, you may dine directly in our dining room and never enter the lounge area at all.*

*At Slopes, we use only top quality products. Our micro brewed beer is brewed with only Northern Maine Pure Spring Water (also available in small bottles sold as Achapani) brought directly to our restaurant from the spring.*

*We serve only Certified Angus Beef® brand steaks and burgers. The Certified Angus Beef® brand is the finest beef available. Less than 8 percent of beef is flavorful, tender, and juicy enough to meet the brand's standards. We also offer StarBuck's coffee and real homemade ice cream made exclusively for Slopes.*

*Slopes serves various sizes of fresh Maine lobster up to four pounds or more, (We tend to like them big!) that are kept in one of two of our large saltwater tanks, (one of which is quite visible on the wall in the lounge), and prepared to order.*

*If you haven't had the chance, you must experience our Sunday Brunch Buffet gala, (served from 10:00 a.m. to 2:00 p.m.), an all-you-can-eat experience that has something for everyone!*

*Slopes also offers state of the art banquet facilities. The wide variety of dining options make it possible to accommodate every catering need from small business meetings requiring high-tech audio-visual service to large extravagant wedding receptions or anything in between...we can accommodate you!*

*It is our intention for you, the guest, to feel comfortable and dine at the pace you desire. However, it is important to remember that excellent food requires time to prepare. Our culinary staff and executive chef will make every effort to provide you the highest degree of quality in a timely fashion.*

*We want you, our guest, to have the ultimate experience while dining with us...so sit back, relax, and enjoy!*
